

VISA INFORMATION

Depending on your citizenship, your country of residence, length and purposes (study, work, tourism, etc.) of your stay, you may need to obtain a visa before coming to Italy.

It is the delegate's responsibility to investigate the visa requirements for Italy and to apply for a visa, if necessary.

The conference organizers and/or the Organizing Secretariat will not directly contact embassies and consulates on behalf of visa applicants.

Visas should be requested at least 4 months before departure as the application process can take several weeks.

If needed, we can provide you with an official letter of invitation once you're registered for the Congress.
